上海亿凡阀门制造有限公司
SHANGHAI YIFAN VALVE CO.,LTD.

企业文化

企业精神：思路决定出路、气度决定格局

企业作风：崇尚学习日事日毕、严谨务实、快捷高效

企业形象：文明整洁优美和谐、真诚实信、务实进取

Company Spirit

Entrepreneurship: ideas determine the decision bearing structure

Enterprise style: learning-day matter, Albert, rigorous and pragmatic, fast and efficient

Corporate image: clean and beautiful and harmonious civilization, really honestly believe, pragmatic and enterprising

公司简介 Company Introduction

上海亿凡阀门制造有限公司坐落于国际大都市：上海。公司成立于 2009 年，拥有雄厚的技术能力、完善的设备和严格的质量管理体系。公司主营阀门产品，以“人企和谐 务实超越”为核心，“更优服务、更高品质、更高价值”为企业口号，坚持“客户第一，诚信至上”为原则为广大客户提供优质的服务。

公司自创建以来，始终致力依靠科技，专注产品创新和质量管理，通过 ISO9001 国际质量体系认证，用匠心造好阀，让每一件出厂产品成为亿凡的品牌代名词！

Shanghai Yifan Valve Manufacturing Co., Ltd. is located in the international metropolis of Shanghai. The company was established in 2009 and has strong technical capabilities, complete equipment, and a strict quality management system. The company's main valve products are centered around harmonious and pragmatic surpassing between people and enterprises, with "better service, higher quality, and higher value" as its corporate slogan, and adhering to the principle of customer first, integrity first to provide high-quality services to our customers. Since its establishment, the company has always been committed to relying on technology, focusing on product innovation and quality management. It has passed the ISO9001 international quality system certification and crafted valves with craftsmanship, making every factory product a synonym for the brand of Yifan!

服务理念

Service concept

只有拥有良好的信誉度，才能赢得客户忠诚度

Only those with a good reputation, to win customer loyalty

售前服务

亿凡阀门拥有最全面最专业的技术队伍，可根据用户的要求就产品的类别、结构、性能、技术指标、产品选型等进行技术研讨及交流、非标产品设计、疑难解答及前期技术性常见故障的分析与预测。

售中服务

用心周到的服务与产品技术的不断创新同等重要，优质的产品加上优质的服务，才能真正体现品牌的优势。在合作过程中，信守合同。保质保量按时供应，随时保持与用户联系沟通。

售后服务

亿凡阀门实行完善的用户档案和全程服务制度，每个用户都指派专业的项目经理进行全程免费技术咨询。

营销理念

Marketing idea

依靠现在市场开发潜在市场谋划未来市场

Now rely on market development plan for the future market potential market

Pre-sale services

yifan valve has the most comprehensive and professional technical team, according to the user's requirements for technical discussions and exchanges on the product category, structure, performance, technical specifications, product selection, etc., non-standard product design, troubleshooting and pre-technical common analysis and prediction of failure.

Sale of services

Equally important innovation intentions attentive service and product technology, quality products with excellent service, in order to truly reflect the brand's advantage. In the process of cooperation, abide by the contract. Quality and timely supply, keep in touch with the user communication.

Service

yifan valves improve the implementation of user profiles and full service system, each user is assigned a professional project manager for the entire free technical advice.
